

The Beauty of a Luxurious Fire Is All About Convenience.

CAMPFIRE

BEST FIRE premium gas logs truly have more to offer combining luxury and quality with unmatched technological design achievements. The patented Ever-glo™ ember bed enhancement system provides glowing embers at the heart of the fire for a brilliant flame. Enjoy a beautiful fire for pennies an hour with BEST FIRE's efficient burner system. The convenience of gas logs means no ashes, no sparks and virtually no air pollution. Intricately detailed logs are each hand-painted reflecting a natural bark pattern. Whether your logs are burning or not, they provide genuine fireplace elegance inspired by nature all year long.

BEST FIRE

BY AMERICAN GAS LOG, LLC

Manufactured in U.S.A. • Decatur, GA

All BEST FIRE log sets include grate, burner, sand, embers, lava rock and fittings. Limited Lifetime Warranty on logs.

Decorative Front Grate

Hardwired Wall Switch

Crackling Ash with Pine Cone or Split Log Receptacle

Intellitouch™ Remote Control

AMERICAN GAS LOG'S vented gas log accessories are available to enhance the look and use of your gas logs, providing the ultimate in fireplace comfort and convenience. The Intellitouch™ remote control system and the optional hardwired wall switch provide convenience in turning your gas logs on and off and controlling flame height. Crackling ash, when placed in a decorative pine cone or split decorative log, provides long-lasting realistic crackling sound. A decorative front grate adds distinctive style to the fireplace front. Other accessories to customize the look of your gas logs include decorative acorns, pine cones, additional logs, platinum embers, lava rock and wood chips.

Other features include:

- Easy and safe to operate.
- Patented Ever-glo™ Ember Bed Enhancement System provides brilliant flame.
- Utilizes natural or LP gas.
- Custom sizes available.
- See-through kits available.
