

Efficiency, Warmth and Comfort with Distinction.

CHARRED HICKORY

BEST FIRE premium vent-free gas logs combine luxury and efficiency with distinctive design elements. Intricately detailed logs are hand-painted to create genuine fireplace elegance inspired by nature. **BEST FIRE's** clean burning, 99% heat efficiency burner design lets you enjoy the warmth of your gas logs for only pennies an hour. The efficient burner design combined with no outside venting requirement prevents heat loss and cold air drafts. **BEST FIRE** vent-free gas logs truly have more to offer combining efficiency, warmth and comfort with distinction.

Standard

Thermostatic

Decorative Log & Pine Cone Set

Decorative Wood Chip Set

Decorative Pine Cones

Vent-Free Twig Set

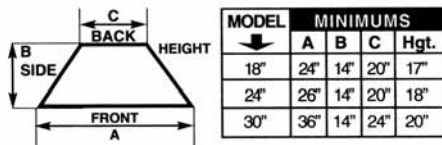

AMERICAN GAS LOG's vent-free gas logs are a convenient and clean way to enjoy a beautiful fire in your home, as well as provide supplemental heat. Vent-free accessories feature the Intellitouch™ remote control system in either thermostatic or standard versions. Our thermostatic remote control allows you to control the room temperature with the touch of your hand while the standard remote control adjusts the flame height for a beautiful fire. Other accessories to enhance the look of your vent-free gas logs include decorative pine cones and wood chips, decorative grate front, valve covers and glowing embers.

Other features include:

- Easy and safe to operate.
- Heat efficient.
- Variable flame control.
- Utilizes natural or LP gas.
- Limited Lifetime Warranty on logs.
- Standard models available in sizes 18", 24", 30". Refer to measurement chart below to determine model size.

Accessories not shown:

- Decorative Medium Pine Cone
- Decorative Half Pine Cone
- Vent-Free Valve Cover
- Lava Rock
- Vent-Free Embers
- Black Adjustable Fireplace Hood
