Features & Benefits

Realistic flame

Incredibly lifelike, patented flame technology creates the look of a wood fire.

Instant ambiance

Add the warm feel of a real fireplace or stove to any living area in just minutes.

Safe and clean electric operation

No combustion means no carbon monoxide and the glass stays cool to the touch.

Effective heat

Provides supplemental heat for up to 400 sq. ft.

Economical

Enjoy the flame for 3¢ per hour or 8¢ per hour with heater turned on.*

Operates with or without heat

Enjoy the flame without the heat for comfortable year-round pleasure.

Comfort and convenience

Adjustable thermostat maintains room temperature automatically (Corner wall mount fireplace features high/low heat controls). Remote control included with all models.

*Based on average national residential electricity rates. Electricity rates vary. Heater cycling at 50%.
